MACDONALD COLLEGE

FRIDAY, JANUARY 10, 1964

Dr. MacDonald Dies

Funeral services were held last Tuesday to lay to rest Dr. Malcolm Allan MacDonald associate professor in our Animal Science Department. Dr. MacDonald died suddenly in his home on the morning of January 3rd of a cerebral hemorrhage. He is survived by his wife Marion, daughter Alix and son Archie. To them, the staff of the "Faitt-Ye Times" would like to express its sincerest sympathies and deepest regrets.

To those who knew Dr. MacDonald he was a constant source of inspiration and stimulation. He was progressive in his research and bold in his aspirations for his science. The Animal Science Department was extremely well served by this man. The diversity of subject matter covered in his published papers is amazing.

He was a graduate of the University of British Columbia where he received his B. S. A. in 1947 and his M. Sc. in 1949. From U.B.C. he went to work at the Range Experiment Station in Kamloops B.C. for two years before returning to school at Oregon State College. While at Oregon he was chosen for membership in the Sigma Xi Honorary Research Association. He received his Ph. D. in 1953. In 1954 he was elected to the Phi Kappa Phi Honorary Scholastic Society.

On graduation from Oregon he went to New Zealand where he served as Research Officer at the Ruakura Animal Research Station until 1956. For the years 1955 and 1956 he was the Advisor to the Commission of the New Zealand Meat Board. Here his results were accepted in total and the Directorship of the Board was offered to him. However a preference to live and work in Canada brought him back to the University of Saskatchewan where he worked, aided by a N. R. C. of Canada Post Doctorate Fellowship.

In 1958 he was asked to come to Macdonald College as assistant professor in Animal Science and served loyally and well until his death last Friday.

In his memory his friends and associates are setting up the Allan MacDonald Benevolent Fund. This would be a fund from which needy students could borrow money on short notice with a minimum of red tape. Donations are being accepted and all cheques should be made payable to Macdonald College.

The "Faitt-Ye Times" joins the students and staff of Macdonald College in mourning the loss of a true friend.

Uganda Ousts Mac Grad

There was a real swinging bash in Uganda one day last month and a good time was had by all. The theme was the decline of Blimpism in East Africa and guests were asked to R.S. V.P. "by native bearer in cleft stick or by tom-tom". Dress varied from cumbersome safari clothes to a dress made from a Union Jack.

Organizers of this party were five young Africans of British extraction including one recent Macdonald graduate Hugh Saben B.Sc. (Agr.) 62. Those of us here who can remember Hugh can vouch for the quality of party it surely must have been. He is remembered as an average student who was a friend to all, active in athletics and other extra-curricular activities, completely lacking in political beliefs and a conscientious partier.

Word of this particular bash however leaked out to the na-

C.U.P. Conference

The 26th National Conference of the Canadian University Press, CSP, in order that the true personality of the organization be presented more clearly was defeated in order that the tradition associated with the old name be maintained. The fees were raised from 2.5c to 3.25c per capita but this will require only an \$11 increase in total fees from Macdonald College.

Memorial Assembly

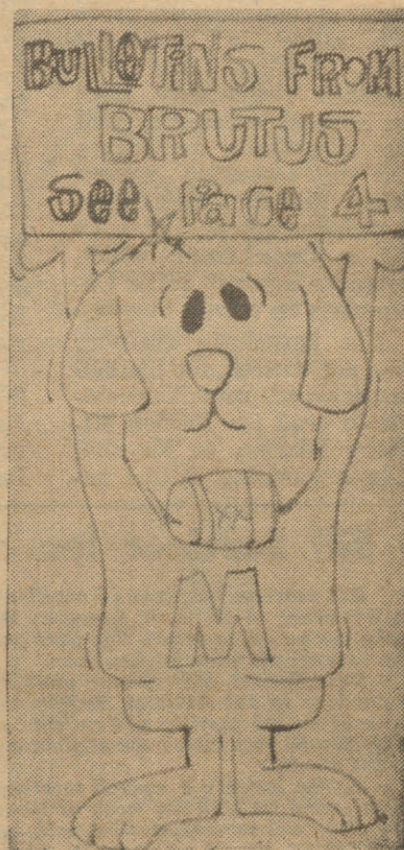

Those who attend the War Memorial Assembly will hear Sir Fitzroy Maclean, Bt., C.B.E., M.P. This will be the eighteenth time that a prominent personality has addressed this annual assembly which commemorates the Second World War. Sir Fitzroy will be delivering his address in the Assembly Hall at 8:30 p.m. next Monday.

Fitzroy Hew Maclean was born March 11, 1911, and was educated at Eton and at Cambridge. He began his career in the Diplomatic Service in 1933. He served in the Foreign Office, then in Paris, and in 1937, at his own request, he was posted to Moscow.

In Russia, as representative of the British Embassy, he witnessed the last of the big pre-war state trials.

He spent his leave in seeing as much as he could of Russia, and travelled, with or without permission,

to Siberia, the Caucasus and Russian Central Asia, explored Bokhara and Samarkand, penetrated as far as Chinese Turkestan and Afghanistan.

On the outbreak of the war he resigned from the Diplomatic Service and served with the Cameron Highlanders. While in the Middle East, he joined the Special Air Service Regiment, a celebrated irregular unit. With the S.A.S. Maclean carried out raids 500 miles in Rommel's rear, bulled his way through the enemy lines on several occasions, and won the Croix de Guerre for an operation undertaken jointly with Free French personnel. Later he led a detachment which operated against Fifth Columnists in South Persia.

His parachute training was not wasted, for in 1943 he dropped into Yugoslavia to head the British Military Mission to Marshal Tito organizing Allied as-

sistance for the partisans and helping to co-ordinate their operations. For his services in Yugoslavia he was awarded the C.B.E., Military Division for 'gallant and distinguished service', the Partisan Star, First Class, by Tito, and the Order of Kutusov by the Soviet Government.

Sir Fitzroy has recorded some of his experiences in his book 'Eastern Approaches', which has been translated into many languages. A second book, 'Disputed Barricade', (in U.S.A. 'The Heretic') is a full-length study of Marshal Tito and his time.

Sir Fitzroy Maclean left the Army with the rank of Brigadier. In 1947 he was recalled temporarily with the rank of Major-General to investigate the problem of displaced persons in Italy, Germany and Austria.

At the end of the war Sir Fitzroy took up his Parliamentary duties. He was re-elected M. P. for Lancaster in the first four

C. U. P. conference...

(Continued from Page 1)

The site of the 1964 Conference was agreed on and it will be in Hamilton hosted by the McMaster Silhouette. The 1965 conference was given to McGill who will hold it in their then-to-be-completed Student's Union building.

The University of Alberta (Edmonton) Gateway walked away with the lion's share of trophies taking five of a possible six. It placed second in the competition for general excellence however to the Ulysses of the University of British Columbia. The McMaster Silhouette was chosen the best weekly paper for the seventh straight year.

The new National President will be John MacFarlane from the University of Alberta in Calgary and the Quebec regional president will be Alex Sherfield of Sir George Williams University.

post-war general elections, and in the 1959 general election he was elected for a Scottish constituency, Bute and North Ayrshire.

In addition to the books already mentioned, Sir Fitzroy Maclean has published 'A Person from England' and 'Back to Bokhara'.

The College Memorials to the First World War are three in number — a ring of oak trees which surround the football field, a Memorial Clock which hangs in the corridor of the Main Building, and a Book of Remembrance.

In 1945 a new War Memorial Committee was set up which recommended that subscriptions should be received on behalf of the McGill War Memorial Fund, but that subscriptions could also be earmarked for a Macdonald College Memorial. This should take the form of a Memorial Entrance to the Library, with any surplus money being used to institute a memorial Lectureship Fund. Approximately \$10,000. was raised, of which some \$4,000. was spent on the Entrance, a Second Book of Remembrance, and the First Memorial Address. This first address by the Right Hon. Vincent Massey, C.H., LL.D., was printed and distributed to subscribers. The balance of the fund was invested and the interest provides the revenue which provides for the expenses of the annual Addresses which are always contemporary and international in scope.

Council Corner

The Students' Council discussed the following items at their meeting on Monday, January 6, 1964 :

It is expected that the new Coffee Shop will be ready by February 1st but if this date is not met it will be opened after Winter Carnival. Work has already begun under the new dining hall in preparation for it.

Permission has been granted by McGill University so that lectures may be cancelled for the ski trip which is planned for the near future. This is valid only if the signatures of three hundred students who wish to go are obtained before February 1st. Further notices will be posted about this.

College scarves and toques will be available at the beginning of next week. They will be sold at Lavigne's in St. Anne's. Scarves are \$4.50 and toques \$1.50.

It is hoped that all student's will make an effort to attend the Annual Memorial Day Services to be held January 13th at 8:00 p.m.

COLLEGE

JACKETS

HERE

The Macdonald Purchasing Committee announces the arrival of college sweat-shirts, toques, and scarves for all patriotic students. The shirts are of quality cotton, fleece-lined, zip-necked, and bearing the college crest. The scarves and toques are of green and gold wool — just the thing to ward off icy blasts at the Winter Carnival.

This committee was set up last year by Students' Council. Ground rules and the general organization were formulated then — a complete re-organization from the committee of 2 years ago. The light summer jacket, green nylon with gold crest was the first new product put on sale last year.

All clothing products are handled by Jules Lavigne, Ste. Annes.

Orchestra Dance

The first Dance of the term will be held on January 11, Saturday, in the FOYER.

Time : 8:30 - 11:45

Admission : 50c each

Band : The Joe Dick Martin Sextet led by Joachim Poppe (TP7)

Among the many prominent personalities who have addressed this annual assembly are the Right Hon. Vincent Massey, C.H., LL.D., Field Marshal the Right Honourable Viscount Alexander of Tunis, K.G., Visitor of the University and Governor General of Canada, the Right Hon. Louis St-Laurent, K.C., Prime Minister of Canada, and Mrs. Anna Eleanor Roosevelt.

Mac Grad ousted...

(Continued from Page 1)

tive Ugandans it had an offensive air. Young Hugh heard himself denounced in Parliament by the Prime Minister as "a snake in their pot". Soon public emotion rose to a point where the house in which the party was held was burned to the ground. The owner and his wife wisely fled to England and were followed shortly by Hugh and his confreres who by this time had been deported.

In all fourteen people were deported over the incident. The British Government felt it necessary to express official regrets for the "poor taste" shown. For shame Hugh.

COFFEE SHOP

STARTED

Construction has now started for the new Coffee Shop to be located in the basement of Stewart Hall. Work began over the holidays and is progressing on schedule. The ceiling has now been finished, lighting fixtures are in and the south wall has been demolished to provide access to the kitchen.

The new Coffee Shop, which was made possible by the Administration at a cost of over \$40,000 is due to be completed in early February. It will feature a cafeteria, dance room, and television area.

It has been announced that Mrs. C. Ryan will be engaged to manage the new Coffee Shop. Mrs. Ryan is at present manager of the old recreation center area.

Jim Banting, Chairman of the Coffee Shop Committee, announced his resignation from the Committee early this week for family reasons. Banting will retain, however, his council seat and his Gold Key Presidency. As the Kingpin behind the new Coffee Shop, his resignation creates a large void in the Committee. No replacement has been announced as yet.

Bill Sceviour leaves the council

Bill Sceviour has done an excellent job during his term of office as President of M. R. C. however, for academic reasons, Bill has been compelled to vacate this position. We are indebted to him for the exceptional work he has done.

Nevertheless, this vacant position on council must be filled. According to the Student Society constitution a byelection must be held for the position of President of men's Residence Committee. Only fourth year males are eligible and only males on campus vote in the election.

At the January 6 council meeting it was decided that nominations would be held the week of Monday Jan. 6 to Sunday, Jan. 12 and the forthcoming election will be held on Wed. Jan. 15. All nominations should be given to Mary Williams, Stewart Hall.

IN MEMORIAM

A. Kirk McKell

On Sunday January 5th Macdonald College was saddened to hear of its second tragedy in as many says. While driving from Ormstown on return to school, four students in the Diploma Agriculture course were involved in a car train collision. As a result of the crash, two were killed, one seriously injured and one slightly injured. Kirk McKell and Sydney Green were both killed and Don Finlayson was taken to the Montreal Neurological in critical condition.

Sydney A. Green

The car was dragged with the train for nine miles before it was noticed going by a station. During this time Jim Maybaw, the fourth occupant of the car, climbed from the automobile onto a flatcar and then jumped off the slow moving freight. Maybaw then walked to nearby Ormstown to tell of the accident.

The "Failt-Ye Times" express its sympathies to the families of the deceased and its hopes for the complete recovery of Don Finlayson.

RED BARN ALL BUT OUT!

The "Coop" has been a gathering place for Mac students for many years but the Baie d'Urfe Town Council seems to feel that we are abusing the privilege. Macdonald students are now faced with the problem of no longer having the facilities of the Red Barn available for college use unless certain rigid rules are followed.

The complaints of the Baie d'Urfe Council are as follows:

"You will appreciate that the "Coop" is located in a residential area and its basic purpose is to serve as a community hall for the residents of the town. We believe that the type of events you are holding and the frequency with which

they are held are creating actual or potential problems in the following areas:

- 1—Noise: Excessive noise in connection with these events (possibly when students are outside the hall or on their way home) has disturbed citizens of the area on more than one occasion.
- 2—Legality: We believe that there may have been violations of certain provincial laws. We do not believe that our police force should be asked to turn a blind eye to such matters.
- 3—Safety: We are concerned, and we believe that you should be concerned, about the safety of your students on returning from these events.
- 4—Public Relations: This is our community hall, used for Boy Scouts, Y. M.C.A., and other youth programs and we do not wish to earn a reputation as a ROADHOUSE.

"To improve the situation, the following will be enforced:

- 1—Legality: A banquet permit must be obtained for events for which provincial law requires it.
- 2—Control: The Students' Council should assume responsibility for rental contracts and conduct of students. I would request that a member of your House Committee or Gold Key should be on duty.
- 3—Closing Hour: Should be not later than midnight Monday to Thursday and generally not later than 1 a.m. on Friday or Saturday."

This complaint was presented to the Students' Council by an alderman of Park and Playgrounds of Baie d'Urfe and unfortunately they were forced to accept this situation and either abide by these rules or discontinue using the Red Barn.

HOME EC CLUB

Would you like to hear about the exciting career as Food Editor of the Family Herald? Would you like to taste breads from nineteen different countries? These will be combined at a meeting of the Home Economics Club on Tuesday January 14, 1964, at 7.30 p.m. The meeting will be open to all girls and non members entrance fee is thirty-five cents.

GIRLS HOCKEY

Saturday, November 30 saw the Girls Intercollegiate Hockey Team travel to Kingston to meet Queens. Queens opened the score in the middle of the first period and by the end of first period led 2-0. In the second period Betty Johnson assisted by Flaurie Storie, scored for Mac to make it 2-1. Kingston again scored and the second period ended with a score of 3-1.

Maureen Custy intercepted a pass to score early in the 3rd period but Kingston again scored making it 4-2.

Kingston received a penalty late in the 3rd period but Macdonald failed to get organized and Queens scored making it 5-2.

Our 2nd game was played at Mac on December 7 against the "Grads". Flaurie Storie assisted by Betty Johnson opened the score on a backhand in the middle of the 1st period. Maureen Custy assisted by Sue Thornham scored making it 3-0.

I.S.O. TO HOLD DEBATE

The I.S.O. presents a debate for its first meeting, "A man's first duty is to his country or to the world at large". Carleton Davis and Edit Inwang will oppose Victor Masson and R. Manohansingh on the topic.

Place: Laird Hall Lounge

Time: 1:30 P.M.

Date: Sunday January 12, 1964

All students are invited to attend.

Suits - Coats - Accessories

L. P. BRUNET

MEN'S FURNISHINGS

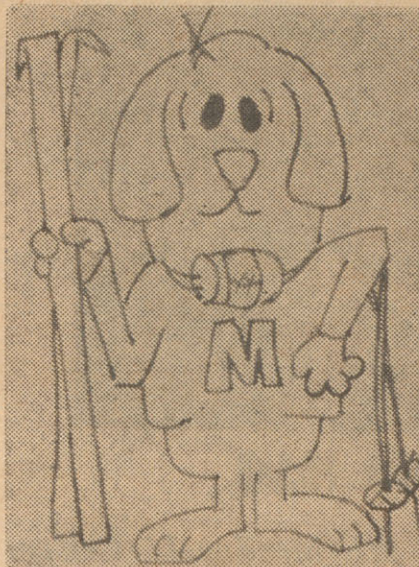

65 Ste. Anne St. 453-2477

Mac again scored in the 3rd period on a shot by Sue Thornham. However, Pat McKee came through for the "Grads" with a goal assisted by Sally Kemp making it 4-1. One penalty was issued to S. McCallum of the "Grads" late in the 3rd period.

BULLETINS FROM BRUTUS

This year's Winter Carnival will start off on an entirely different note — a WINTER CARNIVAL HOLIDAY. Clan members will be able to ski, skate, dance, and toboggan, as well as make use of the facilities at a well known Laurentian winter resort. All this will take place on Thursday, February 6th, 1964. McGill Senate has agreed to cancel classes at Macdonald College on this date if a guaranteed 300 students participate in the trip. The Winter Carnival Committee is very anxious to make this important event a great success, especially as it is a first in the history of the Winter Carnival Program. Reduced rates on ski tows, a reasonable fare for the return bus trip, and a day certain to be packed full of fun are a few of the advantages to look forward to.

Watch for more details from Brutus!

League
to be held in Ottawa

Varsity B-Ball

This weekend will see the Macdonald College Aggies basketball team back in action after the Christmas lay-off. The Aggies are ranked fourth in the St. Lawrence League and will be meeting Minor Institute of Chazy N.Y. in an exhibition game Friday night here in the women's gym.

The Aggies head for Kingston Saturday to take on the cadets of R.M.C. The cadets are currently ranked third in the league and a win from the Aggies would send them into a tie with them and a game in hand.

The Macdonald squad will be looking to Jeff Mills for scoring leadership. Mills is currently ranked seventh in the scoring race with a 14.5 points per game average. It is this leadership which has been the Aggies problem all year. Our team consists of the type of talent which could bring home a championship if they could find the faith in themselves they now lack. This is the result of the inexperience of the individuals on the team. Pressures of fan support are very necessary to this team if it is to carry the name of our school to a respectable position in the league.

Hockey Aggies

Face Heavy Action

Glenfinnan Rink will be the scene of heavy action this weekend with two home games scheduled.

The Mac Aggies will play host to C.M.R. tonight at 8:00 P.M. Tonight's will test the Aggies' legs after the Christmas lay-off.

Eighteen hours later the Aggies will host the Carleton Ravens in their first Ottawa - St. Lawrence Conference game of the New Year. Coach Pugh's Aggies will be out Saturday at 2:00 P.M. looking for their first league win of the season. By the same token Carleton will be trying to break its fourth place tie with Bishop's University.

The Aggies are reported to be in strong shape with no serious injuries and only one Christmas academic casualty. The team will be out fighting this weekend and should prove whether or not they are play-off material by Saturday afternoon.
